Aston Martin DB MKIII 1959 LHD Sought after because being: Series II with disc brakes, with 178 HP most powerful version, original LHD. Original Spanish Aston Martin followed-up by our classic car workshop during the last 10 years. Benefitted from a recent full engine rebuild and the installation of electric powersteering. Registered in Belgium as a normal every day car, not as an "oldtimer". In excellent condition inside-out. Ready to go!
