Austin Healey 3000 MKII A

1964

Gallery

Beautiful lowchassis lines but upgraded to MKIII specification for engine performances, dashboard and door handles and locks. Restored by ourself 3-4 years ago to 100 + points. Some more goodies by Swiss Healey magicien with rack & pinion steering and Getrag 5 speed box. The best Healey around for sure ! Pay for the whole car a fraction of the restoration cost.

Brand	Austin Healey
Model	3000 MKII A
Year	1964
Steering	Left (LHD)
