JAGUAR

Jaguar XK 120 FHC

1952

Gallery

Everybody loves this beauty. Even my neighbours' dog ! This original Belgian car is in a lovely original condition.(It would be a shame to touch it). Just needs some brake-work and a new petrol tank after many years of storage in a doctor's garage. Sound body work, a paint patina every collector would wish to have on his classic, very attractive original beige leather interior and what lines ! Look at the profile of this XK 120 FHC ! With rear wheel spats and dix wheels, a rolling sculpture ! Mechanics are excellent, but I did not do a high speed test because of the poor brakes at the moment. A bargain to acquire this timeless beauty.

Brand	Jaguar
Model	XK 120 FHC
Year	1952
Steering	Left (LHD)
