Lancia Aurelia B20 V-th series 1956 RHD Chassis N°: B20-3806

This is really a WOW-effect Aurelia! I suppose that every classic car enthusiast knows that the Lancia Aurelia was, when launched in 1950, very advanced for her time. The B20 became rapidly famous for her exceptional engineering amongst which the compact full aluminium V6 engine, perfect 50/50 weight distribution, all round independant suspension, light monocoque body with pure & stylish coachwork design by Pininfarina, etc... If there is 1 Aurelia which demonstrates all these qualities brilliantly, than it is certainly the one I am here offering for sale. Please come and test this perfectly sorted V-th series Aurelia with me and you will instantly understand what the Aurelia is all about. Guaranteed. The previous Belgian owner, who is a keen historic rally fanatic, went, the whole way (no expences spared...), to the very best classic car specialists to obtain in the end the most fabulous Aurelia I have ever driven in my classic car carreer (and I have driven and owned many!...). - Ancient KCA (Franco Kappa) restoration - Italy - Recently restored and prepared by Stada e Corsa - Holland, including specialist engine tuning. - Front suspension re-engineering with adjustable shockabsorbers by Roelofs Engineering - Holland - Weber carburettor tuning by Viktor Gunther (VGS Motorsport) - Germany - Brakes and wheels: Twin Cam bvba - Belgium - General maintainance by Gipimotor - Brussels - Bare metal respray by Carrosserie Piemontaise - Brussels Fitted with: - Nardi-kit which include floor gearchange and dubble Weber carburettor + manifold & airbox. - Magneto Scintilla - Vertex ignition - Borrani bi-metal wheels - Period bucket seats + Sparco seat belts. - Plexy sliding side windows - Connections for classic Halda and modern Trippy rally-equipment. - Marchal set of long range + set of fog lamps. - Sports exhaust - Kenlow electric fan. - Two tone air horn.

Participated successfully at: - Tour Espana 2008 - Gstaad Classic 2009 - Coupe des Alpes 2010 - France Tour 2010 - Tour Auto 2011
