Lancia Flaminia 2.5 Touring Conv

1961

Gallery

Lancia Flaminia 2,5 Touring Convertible 1961 LHD I have always been an admirer of the restrained elegance of this Touring designed Flaminia Convertible. The 'state of the art' Superleggera aluminium body construction matches the refined Lancia technology. Smooth power from the all aluminium V6 engine coupled to a transaxle gearbox and differential at the rear guaranteeing perfect 50/50 weight distribution. Just comes out of a complete restoration by Lancia specialists in Italy. Offers refined comfort and drives like a dream! Swiss identity.

Brand	Lancia
Model	Flaminia 2.5 Touring Conv
Year	1961
