Alvis Speed 20SB Earl of March

1934

Galerie

This extraordinary find, was bought and sold within a few days. This Alvis Speed 20 SB from 1934 was fitted as a unique model by Mulliner with a very handsome sportsbody made for the Earl of March. The existence of AXA 137 was known of by only few Alvis Collectors and came available from the widow of the last owner who had the car for 48 years ! We were very happy to find it and be able to buy this very important Alvis.
