Alvis Speed 4.3 Vanden Plas Short Chassis Tourer 1939 RHD Car n° : 19701 Chassis n°: 14846 Engine n°: 15331 Matching numbers. The best prewar sports car around! This is what, apart from myself, many other prewar car enthusiasts agree on. Knowing that only 12 Short Chassis 4.3 Vanden Plas tourers were constructed, imagine how proud I am to be able to represent this very rare Alvis on the classic car market. (In my 25 years of classic car dealing and wheeling the 3rd genuine 4.3 short chassis VdP Tourer which passes through my hands!) After a top-score in quality and rarity, I am sure you will agree with me that this Alvis model also deserves a top-score in beauty. Chassis n° 14846 is registered on the original Alvis factory Card Record as being a genuine Vanden Plas SHORT/WB Tourer and was sold new to Angus Marsh Scott from Dundee in Scotland. In the 60-ies and 70-ies this VdP Tourer resides with several successive owners in Norway. During the 80-ies in the USA. In August 1990, it was bought at auction by Bob Meijer from Amsterdam. From 1990 until 1997 in depth restoration by renowned Alvis specialists: - Full inspection by the UK Alvis expert, Rod Jolley, who restores this 4.3 Tourer with great care to preserve a maximum of the original ash-frame structural wood and panelling. - Mechanical restoration by Solent Vintage Eng. (vintage and veteran car engineering specialist from Rod Jolley and later Colin Dunn) in the UK and LMB Racing in Belgium. Painting and trimming correct to original specifications. Perfect presentation showing today just a touch of beautiful patina. This mighty 4.3 6-cylinder engine develops 216 HP after an intelligent engine preparation by LMB Racing! Sold in 1999 to last Dutch owner, who participated with his Alvis to many classic car rallies all over Europe to his entire satisfaction. After all this 4.3 Vanden Plas short chassis Tourer is the best pre-war tourer one can own... Your chance to experience all this fun and pleasure now for yourself... Comes with Dutch registration documents, Alvis Car Record, extract of Alvis 4.3 registry by 4.3 registrar Mr. Wayne Brooks, FIVA Identity Card, full restoration history and voluminous documentation file.
