Aston Martin DB6 Manual

1966

Galerie

Was I proud to select this DB6 and be able to offer her for sale ! When I list the cars' arguments, you will understand why : -LHD -Manual 5 speed ZF gearbox -Original French car (speedo in Km) -Extremely sound and properly maintained by well reputed French specialists -Original and super attractive colour combination of silver metalic with beautifully patinated black leather interior. Green tinted glass and sparkling chrome -Now ready to be repainted (car in primer) after bare metal inspection of whole body by our specialist classic car workshop -Complete mechanical check up, including full engine strip down and overhaul by our specialist classic car workshop -This DB6 could be completed to concours standards for you before the end of this year Why should not you offer yourself this attractive Christmas present ? Please contact us to discuss this exciting project.
