# Lancia Aprilia Barchetta

1937

Galerie

Unique Aprilia with overwhelming previous competition history (well documented). Barchetta body made by Tenconi in Milano. Mechanical up-grades and tuning by Volpini. Competed in the immediate afterwar period in many, many races (Circuito di Modena - Coppa d'Oro Dolomiti - Circuito del Lido di Venezia - Mille Miglia - Coppa InterEuropa di Monza - Coppa della Toscana - Giro dell'Umbria - etc, etc...)  by works Lancia driver Umberto Castiglioni nicknamed "Ippocampo". Comes with ancient ASI and FIA passport + Italian registration documents. Excellent structural and mechanical condition demonstrating lots of punch. Convincingly showing lots of attractive patina.
