Talbot-Lago T26 Record

1947

Galerie

Doesn't everybody dreams to be able to find one day a sleeping beauty such as this Talbot Lago Record hidden away for years and years in a derelict warehouse? Well, I not only share these delightful set of pictures with you, but also offer the possibility to buy this rare super-class saloon from me. A very well known Brussels classic car collector and long term customer of mine, bought this Talbot Lago from the 1-st Belgian owner in 1962, 'played' a little bit with her, but never registered this T26 and just left this quality saloon standing in his warehouse for 47 years...! The pictures tell you clearly that this T26 Saloon (chassis: 100020) is original, very sound, partly dismantled and... very attractive. Comes with ancient Belgian registration booklet. Do you also feel your hands itching to start restoring this beauty to her former glory?

Marque	Talbot-Lago
Modèle	T26 Record
Année de construction	1947
Volant	Droite (RHD)
