MASERATI

Maserati 3500 GT Touring

1960

Galerij

Original Dutch Maserati. Always well maintained. Very sound 'Superleggera' aluminium body. Good presentation in silver with black leather upholstery. Very responsive 'twin spark' state of the art 6 cylinder fed by 3 double Weber carbs. Good shifting 4-speed ZF gearbox. New Borrani wheels. A pleasure to drive! Fantastic combination of coachuild design by Touring and race technology by Maserati.
