Porsche 911 2.4S 1972 LHD

Yes, we know, this particular Porsche 911 2.4S is difficult to resist.

Sometimes it is hard to explain why one falls in love, but with this Porsche 911 we can:

- Purist early design by Butzi Porsche and masterful technical concept by Hans Mezger.

- Last classic model year 1973 and top of the range 2.4S Coupé model, producing 190HP.

- In rare, original “Aubergine” colour only available in model year 1973.

- Originally sold new in Italy, which guaranteed a very sound structure.

- Matching numbers.

- Totally restored.

Just have a look at the photos in front of this modernist villa and allow yourself to fall in love.

Can you imagine a long lasting relationship?
